

Budget OCR Tool

This app will help you extract texts from mono-column China's budget PDFs. Before starting, make sure to install the required packages by running `pip install -r requirements.txt` in your Terminal! 😎

Start converting PDFs to images

Start OCR

Starting OCR...

Processing OCR for `images/Guizhou_test ...`

OCR completed. Budget text saved to `output/Guizhou_test_ocr.txt`.

All done! You may check your `output` folder now.
